I. INTRODUCTION

USE OF THE GUIDE

The organization of this, the eighth edition of the Guide, is similar to that of last year's (1982-83) edition. Section II deals with university credit available to students transferring from public colleges, technical institutes and vocational centres: it announces the regulations of Alberta universities as receiving institutions, and specifies transfer credit - first on a course by course basis, and then on a program basis. Section III deals with non-university credit available to students from various sending institutions: it announces the regulations of non-university receiving institutions, and specifies transfer credit on a program basis. Section IV lists the course transfer credits available from private sending institutions in affiliation with The University of Alberta. Section V presents a statement of transfer principles as developed by the Council, together with an explanation of the Council's role and the policies and procedures under which it operates.

It should be noted that:

(1) **The information presented in the Guide is the most recent available as of April 1, 1983.** This information is, in most instances, current. However, since negotiations among institutions are continuous and ongoing, there will undoubtedly be some instances in which listings are obsolete or incomplete. Registrars in the institutions should be contacted where questions arise.

(2) **Informal transfer arrangements are possible on an individual student basis.** These involve assessment by the receiving institution of an individual student's program, past performance, and the requirements of the program which the student wishes to enter. **Students in the position of transferring where special consideration may be warranted are advised to consult with the registrar at their present institution and to ask that he make the initial contact on their behalf.**

(3) **Transfer arrangements specified in the Guide are dependent on the particular program a student wishes to enter. Where selection procedures are applicable, such procedures take precedence over the normal procedures.**

(4) Since receiving institutions have specific admission and program requirements, **the arrangements described herein do not constitute an absolute guarantee of admission of credit.**

(5) The Transfer Guide for each year does not provide a cumulative record of changes in courses or transfer credits. Persons using the Guide may therefore need to consult previous editions of the Guide for a complete record of courses previously offered.

(6) When assessing students' transcripts, the assessor should consult the edition of the Guide corresponding to the year in which a given course was taken. Where questions arise, the Registrar's office at the sending institution should be consulted.

EXPLANATION OF TERMS

Receiving institution — any post-secondary institution to which students are transferring.

Sending institution — any post-secondary institution **from** which students are transferring.

Credit equivalent — a course for which credit is given by the receiving institution. Wherever possible, a specific course equivalent will be assigned by the receiving institution (e.g. English 123 = English 456).

Option	— (a) When used in relation to a particular program of study, "option" refers to courses in that program which are not prescribed by the Faculty and in which the student is allowed a choice. This choice may either be confined to a particular discipline (e.g. History) or unrestricted from among all offerings ("open" option).
	— (b) Where no direct equivalent exists, an "option" in the discipline, preceded by an indication of the level of study (junior, senior) is awarded (e.g. Jr. History).
Elective	— see Option.
Unassigned or unspecified	— see Option (b).
No credit	— indicates that the receiving institution has assessed a particular course and that no credit will be awarded.
Not applicable	— indicates that the receiving institution does not offer a program of study to which this course or program could be applied. Consequently, credit is not awarded.
Under review	— indicates that, at the time of publication, a course is undergoing assessment for equivalency by the receiving institution.
No entry (white space)	— indicates that the receiving institution has not assessed, and is not in the process of assessing credit equivalence for this course or program.
See above or below	— indicates that the same credit is awarded as for the course listed immediately above or below that particular entry.

APPLICABLE TIME PERIOD

1. The transfer of credit noted in this Guide applies to courses being taken during the academic year 1983 - 1984 (July 1, 1983 to June 30, 1984).

2. Credits for courses taken previously are governed by the Transfer Guide for the year in which the courses were taken.

3. Where a student continues in a transfer program on a full-time basis without a break in his/her studies, no problem should occur.

4. Where a student interrupts his/her studies or spreads them out over a longer period of time (as a part-time student), some problems may be encountered if the program requirements have changed. A student seeking transfer under these circumstances should seek advice from the institution offering the program which he/she wishes to enter to determine the current status of transferability.

REGULATIONS OF RECEIVING INSTITUTIONS

The following statements have been provided directly by institutions. Other specific institutional regulations are included in the respective institutional calendars.

The University of Alberta

General Statement

The University will accept students transferring from public and private affiliated colleges on the same basis as students transferring from a provincial university. A student who chooses courses at a public or private affiliated college that are appropriate to his academic objective at the University, and who obtains adequate standing in them, will be accepted for further studies at the University under the same conditions that apply to a student who has taken all his post-secondary studies at the University.

A student seeking transfer to the University following successful completion of **two semesters** (one year or 30 semester-hours of credit) at a college will be considered for admission to the level of the **second year** at University.

A student seeking transfer to the university following successful completion of **four semesters** (two years or 60 semester-hours of credit) on an approved university transfer program at a college will be considered for admission to the level of the **third year** at University.

The University of Alberta will accept courses from British Columbia post-secondary colleges **IF** such courses are acceptable to the universities in British Columbia, and to the extent that they are applicable to the particular degree program applied for.

Normally, approval will not be given to proposals from either public, regional colleges or private colleges affiliated with the University of Alberta, to offer courses for transfer which generally require two years of university preparation as prerequisites.

Some Elements of Transfer Policy

1. The basic principle is that transfer be considered only for those students whose previous academic records are satisfactory.

2. The University does not insist that individual courses taken at the colleges have exact counterparts in the University curriculum in order that credit be granted on transfer. Moreover, the University will grant transfer on the basis of two full semesters of College study being equivalent to one year at the University, regardless of slight differences that may exist in the credit evaluation of some of the College courses as compared with their University counterparts. However, transfer cannot be permitted if an applicant is deficient in the academic preparation required of the study program into which transfer is being requested. Where a course-to-course equivalent cannot be established, credit is granted, provided the standing is acceptable as "elective credit."

   Students should be cautioned that specific requirements exist at the Faculty level and in most Department programs. These cannot normally be fulfilled by elective credit.

3. Students transferring from any college or university in which they obtained the minimum passing grade should consult the appropriate faculty calendar to determine whether any transfer credit is possible.

4. A student once enrolled and eligible to continue studies, who plans on obtaining a U. of A. degree, may be guaranteed transfer credit from another institution only if prior permission has been obtained from the Faculty in which the student is enrolled.

5. **Challenge credit** — some faculties will permit a student who has not enrolled for nor taken a course to "challenge" the course by writing an examination covering the course content. If the examination is passed the student may be given credit for the course.

6. Courses that have been successfully "challenged" at other institutions will be useful to provide advance placement at the University, but credit for such "courses" will not be guaranteed toward a degree.

7. In some disciplines, such as art, music, theatre, it is impossible to provide an exact matching of college and university courses. In these situations the college courses are accepted on transfer in the category of "elective" credit in the particular discipline. Transfer of credit for the courses listed in this guide to the B.F.A., B.Mus. and Honours programs in the Faculty of Arts at the University of Alberta will be at the discretion of the Faculty of Arts. Students planning to transfer to one of these programs should consult with the Student Programs Office of the Faculty of Arts at the University of Alberta.

8. Students who present the College Diploma from an Alberta Agricultural and Vocational College, and who obtain a grade point average of 2.7 or higher on the 4-point system, may receive credit for up to six single-term courses in Agriculture in recognition of collective experience and performance in the Agriculture Colleges. These course credits are to be from among the 200 and 300 level courses of the Faculty and will be determined by the Dean upon recommendation by the student advisor of the program in which the student wishes to major.

9. The courses listed are taken from the "academic offerings" of the colleges. These courses are in general intended to serve as a basis for further studies at a post-college level. Courses offered by the colleges in vocationally oriented programs are not intended to prepare students for transfer to universities and are, therefore, not listed in the following tables.

10. Courses successfully completed as part of university transfer programs in British Columbia Regional Colleges will be considered for transfer (to the extent they may fit a university program) on the basis of their equivalency for transfer credit to a recognized university program in British Columbia.

Admissions Information

1. *The Academic Year*

The University of Alberta's academic year is divided into the following sessions:

WINTER SESSION (1st term) : September - December
WINTER SESSION (2nd term) : January - April
SPRING SESSION : May - June
SUMMER SESSION : July - August

2. *Application Deadlines*

Students may apply for admission to any one of the above sessions. However, it should be noted that not all Faculties will accept transfer students to every one of the above sessions. Please find listed below the application deadlines for each session where admission is possible:

FACULTY	PROGRAM	WINTER - 1st TERM	WINTER - 2nd TERM	SPRING	SUMMER
AGRICULTURE & FORESTRY	B.Sc.	July 4	December 1	NA	NA
ARTS	B.A. (Gen., Spec., Hon.)	July 4	December 1	March 1	April 1
	B.F.A. (Drama)	April 1	NA	NA	NA
	B.F.A. (Art & Design)	May 2	NA	NA	NA
BUSINESS	B.Comm.	June 1	NA	NA	NA
DENTISTRY	Dental Hygiene	February 1	NA	NA	NA
	D.D.S.	February 1	NA	NA	NA
EDUCATION	B.Ed./B.Ed.-A.D.	June 1	November 1	NA	NA

ENGINEERING	B.Sc.	June 15	NA	NA	NA
HOME ECONOMICS	B.Sc.	July 4	December 1	March 1*	April 1*
				*on a individual basis only	
LAW	LL.B.	January 31	NA	NA	NA
MEDICINE	M.D.	December 1	NA	NA	NA
	B.Sc. (Med. Lab. Science)	July 4	NA	NA	NA
NURSING	B.Sc. (Basic & Post-Basic)	May 16	NA	NA	NA
PHARMACY	B.Sc.	July 4	NA	NA	NA
PHYSICAL ED. & RECREATION	B.P.E., B.A.	July 4	December 1	NA	NA
REHABILITATION MEDICINE	B.Sc.	May 1	November 1	NA	NA
SAINT-JEAN	B.A., B.Sc., B.Ed.	July 4	December 1	NA	NA
SCIENCE	B.Sc. (Gen)	July 4	December 1	March 1	April 1
	(Spec)	July 4	December 1	NA	NA
	(Hon)	July 4	December 1	NA	NA

3. *Official Documents*

Transcripts of your post-secondary work should be submitted with the application if possible, otherwise as soon as they become available after the application deadline date.

Further questions concerning transfer and/or admission may be directed to:

Joe Daniel
Office of the Registrar
The University of Alberta
Edmonton, AB T6G 2M7

Phone (403) 432-4537

The University of Calgary

Admission Regulations

Applicants to The University of Calgary are asked to make themselves well aware of the admission requirements for the University. No applicant will be considered for admission or transfer credits unless these requirements are met. The requirements for admission may be found in the University's Calendar or by contacting the Registrar's Office at The University of Calgary.

Applicants who are required to present proof of English language proficiency, must do so in addition to presenting the normal admission requirements.

Transfer Credit Regulations

1. Advanced credit is not awarded for "D" level grades or equivalent (grades of "4" or below on a nine point scale) except in the case of University of Calgary courses offered at directly affiliated colleges.

2. A student transferring to The University of Calgary from a post-secondary institution must have achieved grade standing at the post-secondary institution which would allow him/her to proceed in a degree program at The University of Calgary. In this regard, students transferring to the University should be aware that an excessive number of withdrawals and a cumulative GPA below 2.0 or equivalent may result in refusal of admission.

3. Advanced credits are awarded only to the extent they fit the program in which the students is registering at The University of Calgary. Courses which are not applicable to the degree program are considered extra to the student's degree.

4. Advanced credits are limited by the residence requirements of the different faculties at the University. Physical Education: maximum transfer credit of one year including only one full course or equivalent in activity courses. Remainder of faculties: normally two years. In addition, all faculties stipulate the number of years students may take to complete a degree. Courses for which transfer credit is given must also be completed within the same number of years. For example, it a student has 10 years to complete a degree, courses for which transfer credit is given must also have been completed within the same 10 year period.

5. Students attending The University of Calgary, are not allowed to repeat a course more than once. Students presenting transfer credit must be aware of this regulation since courses completed a third or more times will not be accepted for transfer credit.

6. Students in post-secondary institutions when selecting courses should be aware of the limit on the number of junior courses (100 and 200 level courses) which are transferable. Please refer to The University of Calgary Calendar for further information.

7. Applicants must ensure that they do not take duplicate courses. Transfer credit will not granted for courses which duplicate in content a course previously completed.

8. The following pages list courses which have been evaluated by The University of Calgary as transferable credit on the basis of present working arrangements. The University does not consider the courses as exact equivalents to University of Calgary courses, but for simplification of registration by new students the courses are listed as equated. Transfer courses may be used as prerequisites for senior level courses at The University of Calgary.

9. Transfer students should be knowledgeable of the regulations printed in the University Calendar. Such regulations will apply in all cases to transfer students.

The University of Lethbridge

Transfer Policy

1. Students are referred to the appropriate section of The University of Lethbridge calendar for information concerning the admission of transfer students.

2. A student transferring to The University of Lethbridge from a college must have obtained a minimum cumulative grade point average of 2.00 or equivalent. Credit is not awarded for "D" level grades or equivalent

3. Transfer credit is awarded only to the extent to which it may be applied to the student's degree program.

4. Where unspecified credit is awarded, it is the responsibility of the student to consult the appropriate Department for academic advice.

5. Transfer students are advised of the twenty-semester-course residence requirements for the first degree.

6. Due to the unique nature of the Bachelor of Education program, all college students who intend to transfer into the Faculty of Education are advised to enrol in Liberal Arts course appropriate to the chosen major, rather than in professional or Education courses. Approved Education courses are transferable to the extent to which they fit the individual student's program, to a maximum of four semester courses.

7. The course equivalents listed in this guide are based on 1983/84 calendar descriptions and do not apply where course descriptions or programs are revised in the ensuing years.

8. Transfer of credit for courses within the Bachelor of Fine Arts program or Bachelor of Music program is at the discretion of the Faculty of Arts and Science. Students in these particular areas shall be expected to display a level of proficiency that allows them to continue in course sequences at The University of Lethbridge. In the case of Bachelor of Fine Arts students, a portfolio may be required; in the case of Bachelor of Music students, an examination and/or audition may be required.

Athabasca University

Athabasca University has a general mandate from the Government of Alberta to provide university undergraduate education in liberal and applied studies, to people who are unable or unwilling to attend the campus based universities. More specifically, Athabasca provides education at the university level through self-study instructional materials, through the provision of lecture courses in smaller centers and through the use of various forms of educational technology in the delivery of educational experience.

Admission Requirements

1. Athabasca University has an open admissions policy. Effectively, this means there are no formal high school pre-requisites for admission into the University. Applicants, however, must be at least eighteen years of age.

Credit Coordination

Athabasca University has been given a mandate by the Provincial Government to act as a credit-coordinating agency for the Province. For practical purpose, this means the following;

1. That Athabasca University will endeavour, as much as possible, to articulate its programs with those of other post-secondary institutions;

2. That Athabasca University will give careful consideration to the awarding of transfer credit for university level work or its equivalent undertaken at a wide variety of post-secondary institutions. In particular, Athabasca University has established a Bachelor of General Studies (BGS) degree which is given for individually designed educational programs without the normal one or two year residence requirements.

Transfer of Credit to Athabasca University

1. Any courses considered for transfer credit should have been completed with a grade equivalent to Athabasca's passing grade, which is 60%. For purposes of transfer, this minimum corresponds to a grade of "C" on a four-point scale or a grade "5" on a nine-point scale.

2. Transfer credit is awarded only to the extent to which it may be applied to the student's degree program. Degree regulations as listed in the University Calendar will apply in all cases to transfer students.

3. Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the exception of 100-level courses, which will be considered for transfer on an individual basis only.

4. No credit will be granted for individual field placement, practicums, professional seminars, or for elementary skills except as these happen to be a part of a complete professional certification.

5. Post-secondary college courses, which do not have university transfer status, will be considered for transfer on a limited basis as outlined in the University calendar.

COURSE GUIDE

Institutions identified in the column on the left are the sending institutions. Courses included in this column are referred to by actual course names and numbers designated by the sending institution. Further information on these courses may be obtained by referring to the respective calendar of the sending institutions.

The universities to which transfer is accepted are listed at the head of each of the columns on the right. Courses listed under each of the universities represent the university course equivalences of the courses specified in the sending institution column. Where course equivalencies are listed, these courses will be accepted for transfer to a university to the extent that they fit the requirements of the particular program entered.

In some cases, footnotes are used to indicate provisions under which the transfer arrangements apply for specific procedures involved in transfer. **Users of the Transfer Guide are advised to pay particular attention to footnoted comments.**

NOTE: The following pages 10-65 deal with course by course arrangements only. For program arrangements see pages 67-84.

NOTE: For International Baccalaureate Courses for credit at The University of Alberta only see page 66.

[1] All credit for Art courses at The University of Alberta, The University of Calgary, and The University of Lethbridge will only be assigned on presentation of a transcript evidencing a satisfactory grade PLUS PORTFOLIO.

[2] All courses must be completed with a grade of "C-" or better in order to be considered for credit at The University of Calgary and at The University of Lethbridge. No credit will be granted for courses of less than three weeks duration. All students must obtain prior approval from the appropriate faculty office before undertaking these courses for transfer credit to The University of Lethbridge.

[3] Not transferable to the B.A. (Honors) program in Music at The University of Alberta.

[4] Students who have completed one full year of university-level instruction in music (or its equivalent) prior to enrollment in Banff School music courses will be awarded senior-level credit. All other students will be awarded junior-level credit.

[1] French 130 and German 100 only available for credit if the student does not also present French 30, German 30 or equivalent. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[2] Transfer credit is granted providing the student has matriculation and does not also present this subject as part of that matriculation.

[3] Credit will not be granted for more than one of Math 202, 203, 212.

[4] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[5] If Math 302 and 303 are presented for credit, Math 2570 and 1 unspecified Math will be awarded.

[6] Transfer of credit is assured only to B.A. (General) and B.A. (Special) programs. Credit may be given in the B.Mus. program, but only on individual assessment and only for approved instrument.

SENDING INSTITUTION	RECEIVING INSTITUTION			
GRANDE PRAIRIE REGIONAL COLLEGE	U OF A	U OF C	U OF L[4, 16]	ATHABASCA UNIVERSITY[11]

[7] Only one year of credit is transferable to The University of Calgary three-year B.P.E. program. This one year of credit can only include one full course or equivalent in activity courses, of which only a quarter course (1.5) may be at the 300-level (advanced).

[8] Credit granted only if entering the Faculty of Education at The University of Calgary.

[9] Credit for Music 251, 253, 291, 293, 351, 353, 391 or 393 is dependent upon the outcome of the student's placement test and audition with the University of Calgary.

[10] Credit for Ph.Ed. 263 (3) and Jr. option (3) if both Physical Education 201 and 206 completed.

[11] Courses that are acceptable for transfer to one or more of the other 3 Alberta Universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the exception of 100 level courses, which will be considered for transfer on an individual basis only.

[12] Credit will not be granted for both Math 204 and Math 213.

[13] Faculty of Education.

[14] Not to take Phil 230.

[15] Accepted for credit towards Bachelor of Commerce degree ONLY IF completed prior to September, 1981.

[16] In all Art Studio course transfers the Department of Art, The University of Lethbridge, may request that a portfolio of works (originals and/or slides) be submitted for evaluation.

[17] Must include a minimum of 60 hours.

[18] Note general statement covering transfer of Education courses.

[19] Phil 2120, 2130 or 3110 should not be taken at The University of Lethbridge except by special permission.

[20] For Education students. The movement requirements may be waived.

[21] Course may not be used as prerequisite for senior English courses.

[22] Do not take Math 1560.

[23] Faculty of Engineering course.

[24] Students cannot enrol in Poli 214 for credit.

[25] Provided that a different "language other than English" is presented for matriculation.

[26] Not to do French 100 (6).

[27] Not available for credit at The University of Calgary.

[28] Credit will not be granted for more than one of Math 202, 203, 212 or 240.

[29] Credit will not be granted for more than one of Math 221 or 243.

[30] Credit will not be granted for more than one of Phys 203 or 205.

[31] Credit will not be granted for more than one of CPSC 214 or 351.

[32] CPSC 357 is equivalent to ½ of CPSC 306 at The Univeristy of Calgary. Therefore, students taking CPSC 306 cannot receive credit for CPSC 357.

[1] Arts option only, not to be used in B.F.A. degree.

[2] Courses that are acceptable for transfer to one or more of the other 3 Alberta Universities will be considered transferable to Athabasca University, if appropriate to the student's degree program with the exception of 100 level courses, which will be considered for transfer on an individual basis only.

[3] Transfer is approved, subject to acceptance of a representative portfolio of work on the course.

[4] Students cannot enrol in Psych 228 for credit.

[5] Transfer credit is granted provided the student has not used French 100 as part of matriculation. Not available for credit in the Faculty of Education at the U of C.

[6] If Math 302/303 are presented, Math 2570 (3) and 1 unspec Math (3) will be awarded.

[7] Credit granted for only one of Math 221 or 243.

[8] If History 374/375 are presented, His 3705 (3) and 1 unspec His (3) will be awarded.

[1] Lakeland College is an interprovincial college serving both Alberta and Saskatchewan. The following is a list of course equivalents for the University of Saskatchewan:

Lakeland College	University of Saskatchewan
Biology 210	Biology 210/296 or Biology 210/297 is accepted as a 6 credit Jr. Biology course
Biology 296/297	Biology 110.6
Chemistry 200	Chemistry 110.6
Computing Science 261/Computing Science 214	Accepted as a 6 credit Jr. Computing Science course
Computing Science 214/215	Computing Science 110.6
Computing Science 351/352	Computing Science 177A/178A
Computing Science 261	Computing Science 100.3
Economics 201/202	Economics 110.6
English 200	English 110.6
English 210	Accepted as a 6 credit Jr. English course
French 200	French 120.6
Mathematics 202/204	Mathematics 175.6
Psychology 260/261	Psychology 110.6
Sociology 202	Sociology 110.6

[2] Courses that are acceptable for transfer to one or more of the other 3 Alberta Universities will be considered transferable to Athabasca University if appropriate to the student's degree program with the exception of 100 level courses which will be considered for transfer on an individual basis only.

[3] Credit granted for only 1 of Math 202 or 203.

[4] Credit will be granted for only 1 of CPSC 214 or 351.

[1] The credits referred to above will only be given at The University of Alberta if the student has been admitted, matriculation has been cleared, and any pre-requisites have been satisfied.

[2] To be eligible for transfer credit to be applied to a B.Mgt degree program a grade of "B" or higher must be received. Transfer credit is contingent upon admission to the School of Mgt. At least ten 3000/4000 level management courses must be completed at the University of Lethbridge in addition to those transferred.

[3] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of work occurs.

[4] On the B.Comm. program at The University of Alberta there is only room for ½ Jr. open elective for either of these Business courses.

[5] Courses that are acceptable for transfer to one or more of the other 3 Alberta Universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the exception of 100 level courses, which will be considered for transfer on an individual basis only.

[6] Students who wish to enter the Faculty of Education, Business Education major, are referred to page 72, of this Guide.

[7] In addition to credit for discrete courses as noted above the following unspecified Arts and Science credit will be granted for the General Education component of the following programs:

Journalism/Radio Arts	2 (6)
Law Enforce	2 (6)
Recreat Man	4 (12)
Rehab Serv	1 (3)

[8] It is strongly recommended that students take the labs for these courses in order to become familiar with software referred to in succesive courses.

[9] The Department of Art at The University of Lethbridge may request that a portfolio be submitted for evaluation.

[1] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[2] A student who presents Art 231/233 will receive credit for Art 2020 (3) and 1 unspecified Art (3).

[3] Transfer credit is granted providing the student has matriculation and does not present this subject as part of that matriculation.

[4] Students cannot enroll in Poli 214 for credit.

[5] Only one year of credit is transferable to the three-year B.P.E. at The University of Calgary. This one year of credit can include only one full course or equivalent in activity courses, of which only a quarter course (1.5) may be at the 300 (advanced) level.

[6] Not available for credit in the Faculty of Education at The University of Calgary.

[7] Mathematics 302A and 302B are equivalent to Math 2570 + 1 unspecified Math.

[8] Students with "C-" or better in both courses, credit given for Stat 255 (6).

[9] Credit for Music 291 or 293 is dependent upon the outcome of the student's audition at The University of Calgary.

SENDING INSTITUTION	RECEIVING INSTITUTION			
MEDICINE HAT COLLEGE	U OF A	U OF C	U OF L[1, 13]	ATHABASCA UNIVERSITY[10]

[10] Courses that are acceptable for transfer to one or more of the Alberta Universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the exception of 100 level courses, which will be considered for transfer on an individual basis only.

[11] Students cannot enrol in Psych 228 for credit.

[12] Accepted for credit toward Bachelor of Commerce program only if completed prior to September, 1982.

[13] In all Art Studio course transfer, the Department of Art, The University of Lethbridge, MAY request that a portfolio of works (originals and/or slides) be submitted for evaluation.

[14] Students with credit in only Biology 101 or Biology 103 will not receive credit for Jr. Biology (3).

[15] Commerce students going to The University of Calgary may substitute Statistics 213, 217 in place of Statistics 343, 347.

[16] Secondary route only.

[17] Credit to Education students only.

[18] A student may not enrol in CSC 1600 if granted credit for CSC 117.

[19] Not to take Anthr 350 (6) for degree credit.

[1] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[2] Not available for credit in the Faculty of Education at The University of Calgary.

[3] Transfer credit is granted providing the student has matriculation and does not present this subject as part of that matriculation.

[4] Students cannot enroll in Poli 214 for credit.

[5] On the B. Comm. Program at The University of Alberta, there is only room for ½ Jr. open elective for any one of these Administration courses.

[6] Transfer students wishing to complete higher level CPSC courses will note that CPSC 211 at The University of Calgary uses PASCAL.

[7] Maximum of two ½ year Jr. Psyco (6) granted.

[8] Courses that are acceptable for transfer to one or more of the other 3 Alberta Universities will be considered transferable to Athabasca University, if appropriate to the students's degree program, with the exception of 100 level courses, which will be cnsidered for transfer on an individual basis.

[9] The University of Calgary does not give credit for both CPSC 201 and CPSC 211.

SENDING INSTITUTION	RECEIVING INSTITUTION			
MOUNT ROYAL COLLEGE	U OF A	U OF C	U OF L[1]	ATHABASCA UNIVERSITY[8]

[10] Students cannot enroll in Psych 228 for credit.

[11] For admission to the Faculty of Education, a grade of "C" or better in Ed.T.S. 231 is required.

[12] Students who wish to receive credit for Stat 343 at The University of Calgary must pass a diagnostic test administered by the Department of Mathematics and Statistics.

[13] Faculty of Engineering.

[14] Chemistry 1212 plus BChem 341 at The University of Calgary acceptable in lieu of BChem 340.

[15] Credit for both Geology 1121 and 2205 (or University of Calgary GLGY 205) will not be allowed by The University of Calgary.

[16] Credit will not be allowed for both Economics 1110 and Economics 2201 or Economics 1111 and Economics 2203.

[17] Grade of B or higher and provided the student has not used Biology 30 for matriculation.

[18] Providing that the student has not used the corresponding Chemistry 30 or French 30 for matriculation.

[1] Biology 130 and French 100 at The University of Calgary and French 100 at The University of Lethbridge are only available for credit if the student is not presenting the equivalent senior matriculation subject. Not available for credit in the Faculty of Education at The University of Calgary.

[2] All Drama and Music courses at Red Deer College are transferable only to the B.A. (General) and B.A. (Special) programs at The University of Alberta.

[3] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[4] Note general statement covering transfer of Education courses.

[5] Credit will not be granted for more than one of Math 202, 203 and 212.

[6] Only one year of credit is transferable to the three-year B.P.E. at The University of Calgary. This one year of credit can only include one full course or equivalent in activity courses of which only a quarter course (1.5) may be at the 300 (advanced) level.

[7] If Math 302 and 303 are presented for credit, Math 2570 (3) and 1 unspecified Math (3) will be awarded.

[8] Credit will not be granted for both Sociology 261 and 262.

[9] Credit for Phed 263 (3) [2B] Jr. Phed option (3) if both Physical Education 201 and 206 completed.

[10] Courses that are acceptable for transfer to one or more of the other 3 Alberta Universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the exception of 100 level courses, which will be considered for transfer on an individual basis only.

[11] No credit if student also presents Anthropology 207 or equivalent.

[12] Credit will not be granted for both.

[13] Credit for Music 251 and 253 is dependent upon the outcome of the student's placement test and audition with The University of Calgary.

[14] Accepted for credit towards Bachelor of Commerce degree ONLY IF completed prior to September, 1981.

[15] In all Arts Studio course transfers, the Department of Art, The University of Lethbridge may request that a portfolio or works (oringinals and/or slides) be submitted for evaluation.

[16] Credit will not be granted for more than one of Phys 203 or 205.

[17] For Education students only. The movement requirements may be waived.

[18] Philosophy 2120, 2130 or 3110 should not be taken at The University of Lethbridge except by special permission.

[19] Other accounting courses within the Business Administration Certificate or Diploma programs will be considered for credit on a course by course basis on the Bachelor of Administration program.

[20] Students cannot enroll in Psychology 228 for credit.

[21] Faculty of Engineering courses.

[22] Credit will not be allowed for both Econ 100 and 201 or Econ 101 and 202.

[23] Credit will not be granted for more than one of Math 202, 203, 214 or 240.

[24] Credit will not be granted for more than one of Math 221 or 243.

[1] Minimum academic standing indicated relates to U. of A. course credit.

[2] Admission to the Bachelor of Commerce program is open to students transferring from related N.A.I.T. programs. There is a quota that limits the number of students to the B. Comm. program each year. Prior academic performance in appropriate subjects (includng Math 30 or equivalent) is the primary criterion used to the applicants to be admitted.

[3] Minimum mark of 70%.

[4] Minimum average - 65%.

[5] Minimum mark - 65%.

[6] Minimum average - 70%

[7] Not available for credit towards the B.Comm. degree at The University of Calgary.

[1] In addition to submitting transcripts from S.A.I.T., applicants to the U. of A. will also be required to submit a letter from S.A.I.T. recommending that advanced credits be awarded.

[2] FIN 001 is not acceptable as a prerequisite for higher level Mathematics courses at The University of Calgary.

[3] Not applicable for credit towards the B.Comm. degree at The University of Calgary.

SENDING INSTITUTION	RECEIVING INSTITUTION
INTERNATIONAL BACCALAUREATE COURSES	**U OF A**
Faculty of Arts[3] Courses:	
Art & Design	Jr. ART H (except in B.F.A. and B.A. [Special] Art History programs)
Economics (higher level)	ECON 201/202
Economics (subsidiary)	No credit (challenge available)
English (higher level)	ENGL 200-level
Geography (higher level)	GEOG 230/231 and 250/251
Geography (subsidiary)	Jr. GEOG (specific course(s) to be decided on basis of IB examination(s) taken)
German (higher level)	Sr. GERM
German (subsidiary)	Sr. GERM (specific course(s) to be decided on basis of IB examination(s) taken)
History (higher level)	Advanced placement[1] (no credit)
Latin (higher level)	LATIN 200
Latin (subsidiary)	LATIN 100 or LATIN 30 (for students who do not present another matriculation level language)
Romance Languages: French, Italian, Spanish — higher and/or subsidiary level	Advanced placement[1] (no credit; credit would be awarded on the basis of credit by Special Assessment examinations)
Social Anthropology (higher level)	Sr. ANTHR (Social Anthropology area)
Faculty of Science[3] Courses:	
Biology (higher level)[2]	Jr. BIOL
Chemistry (higher level)[2]	CHEM 200
Mathematics (higher level)[2]	Jr. MATH
Physics (higher level)[2]	Jr. PHYS

[1] Students given "Advanced Placement" would be admitted to a senior course after determination of their background qualifications for that course (interview, placement test, etc.). They may also "challenge" a junior or senior course for credit for which they have appropriate qualifications and are eligible within the regulations.

[2] Subsidiary level courses in the above subjects will be considered to be equivalent to 30-level high school courses and, therefore, will satisfy University entrance requirements in these subjects. While University credit will not be granted for them on transfer, the option to challenge a University level course for credit is available to the student.

[3] It is also the University's understanding that students applying for transfer of IB course credits will have met the admission requirements (i.e. matriculation) of the faculty of their choice.

PROGRAM GUIDE — UNIVERSITY CREDIT

This subsection lists **program** transfer arrangements only (as distinct from **course** transfer equivalencies, as in the immediately preceding subsection).

SENDING INSTITUTION	RECEIVING INSTITUTION			
FAIRVIEW COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**
College Diploma in Agriculture	Students who present a College Diploma in Agriculture from Fairview College, and who obtain a grade point average of 2.7 or higher, may receive credit for up to six single-term courses in Agriculture at The University of Alberta in recognition of collective experience and performance in the College. These course credits are to be from among the 200 to 300 level courses of the Faculty and will be determined by the Dean upon recommendation by the student advisor of the program in which the student wishes to major. Agriculture and Forestry 202 are waived for these students.

[1] These programs at the universities have a restricted enrolment, so while a student may be admitted at the College to complete a portion of the program, his/her eventual admission to the University will be considered only if original admission criteria and academic standing within the program at the College are at the required level.

[2] Admission to the professional programs is dependent upon academic achievement in years of pre-professional study and, in some cases, on result in specified entrance tests normally written after two years of pre-professional study, e.g. MCAT (Medical College Admission Test).

[3] Athabasca University's Bachelor of General Studies is an individualized study degree program. It does not have a residence requirement. It may be obtained with either a Liberal Studies or Applied Studies designation.

SENDING INSTITUTION	RECEIVING INSTITUTION			
GRANT MacEWAN COM. COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**
Accounting, Business Administration Certificate and General Administration Diploma				Credit granted on a course by course basis on the Bachelor of Administration degree program.
Early Childhood Development Program	Students completing this program will be granted up to 4½ full course credits of advanced standing at The University of Alberta on the Family Studies program in the Faculty of Home Economics. Students completing this program will be granted up to four full course credits of advanced standing at The University of Alberta on the Early Childhood Specialization B.Ed. program in the Faculty of Education.			
Nursing	Graduates of Grant MacEwan Community College's Basic Nursing Diploma Program and Supplementary Nursing Diploma Program for Registered Psychiatric Nurses are eligible to enrol at The University of Alberta and in the two year Post-Basic Degree Program for Registered Nurses leading to the degree of B.Sc.N.	Graduates of the Registered Nurse Diploma Program at Grant MacEwan Community College will be considered for admission to The University of Calgary Post R.N. Program. The Post R.N. Program is presently two academic years in length.	Graduates of the Registered Nursing Diploma Program are eligible to apply to The University of Lethbridge for the Post Basic Bachelor of Nursing Degree Program.	Transfer credit is available depending upon individual assessment and degree program entered.

[1] Medicine Hat College makes every effort to ensure the smooth transfer of students to other education institutions. We are in touch with The University of Calgary, The University of Alberta, The University of Lethbridge and Athabasca University on a regular basis regarding course and program changes. The University of Regina and the University of Saskatchewan are also contacted frequently to be sure that students from Saskatchewan can transfer from Medicine Hat College to the Saskatchewan Universities.
For further details on the university transfer programs offered at Medicine Hat College please refer to the 1983 - 84 Medicine Hat College calender.

[2] The following programs are transferable to the corresponding out-of-province institutions:

MEDICINE HAT	
Journalism & Communications	U of Regina - 1 or 2 years
Optometry	U of Waterloo - 1 year
Veterinary Medicine	U of Saskatchewan - 1 or 2 years

[3] Athabasca University's Bachelor of General Studies is an individualized study degree program. It does not have a residence requirement. It may be obtained with either a Liberal Studies or Applied Studies designation.

SENDING INSTITUTION	RECEIVING INSTITUTION			
MOUNT ROYAL COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**
Community and Regional Planning				Up to one full year credit on B.A. or B.G.S. programs. In addition, a student may receive credit for courses taken as options in the Diploma program, to the extent they are applicable to the student's degree program at Athabasca University.
Social Work		Students completing the two-year programs, Social Services and Applied Social Services, in Social Work at Mount Royal College and granted admission to Social Welfare at The University of Calgary will be awarded up to five full junior Social Work Courses, and in addition may receive credit for Arts and Science courses which are applicable to the degree and are indicated in this Transfer Guide.	Credit will be granted for Arts and Science courses which are applicable to the degree and are indicated in this Transfer Guide.	
Nursing		Graduates of the registered nurse diploma program at Mount Royal College will be considered for admission to The University of Calgary Post R.N. Program. The Post R.N. Program is presently two academic years in length.	Graduates of the registered nurse diploma program at Mount Royal College will be considered for admission to The University of Lethbridge Post R.N. Program. The Post R.N. Program is presently two academic years in length.	Transfer credit available depending upon individual assessment and degree program entered.

SENDING INSTITUTION	RECEIVING INSTITUTION

Pre-Medicine, Pre-Dentistry, Social Welfare	Students may register in appropriate Science (or in some cases Arts) program. Admission is limited, and application deadlines must be met. See U of A calendar for details of program and admission requirements. Red Deer College students are treated on the same basis as other applicants, i.e., no preference is given to University of Alberta students.	Students completing the two year Social Services program at Red Deer College and granted admission to Social Welfare, will be awarded up to five full Junior Social Work courses. In addition , they may receive credit for up to five Arts and Science courses which are applicable to the degree and are indicated in this Transfer Guide.		

[1] All programs listed under The University of Alberta were designed originally for transfer to that institution. For information about transfer to other institutions, and the conditions governing program transfer, students should consult the College registrar.

[2] The following programs are transferable to the corresponding out-of-province institutions:

RED DEER COLLEGE	
Pre-Chiropratic	Canadian Memorial Chiropractic College — 1st & 2nd years
Pre-Optometry (B.Sc.)	University of Waterloo — 1st year
Pre-Vet-Medicine (B.Sc.)	University of Saskatchewan — 1 & 2 years.

SENDING INSTITUTION	RECEIVING INSTITUTION			
NORTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**

(Note: The following deals with **program** arrangements only. For **course by course** arrangements see page 64.)

TECHNOLOGY PROGRAM		FACULTIES OF GENERAL STUDIES AND OF SCIENCE [6] Credit up to a maximum of five full course equivalents depending on program and grades. Individual courses for which credit will be given must have a grade of at least 75%. In those cases in which a single credit is appropriate for two or more N.A.I.T. courses, the average grade in the relevant N.A.I.T. courses must be at least 75%. Normally, the cumulative GPA must be at least 75% also. In special cases, credit for individual courses will be given although the cumulative GPA is below 75%.

—Medical Laboratory Technology	2½ courses, to be made up as 1 full Junior Chemistry courses & 1½ Junior Biology course.			
—Forest Technology	FACULTY OF AGRICULTURE & FORESTRY Up to one full year credit towards B.Sc. in Forestry.			

SENDING INSTITUTION	RECEIVING INSTITUTION			
NORTHERN ALBERTA INSTITUTE OF TECHNOLOGY	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY
—Dietary Technology	FACULTY OF HOME ECONOMICS Advanced credit in Food & Nutrition 220 and Food and Nutrition 222 as optional courses. FACULTY OF EDUCATION[3] Up to one year credit on B.Ed. (Industrial Arts).			
BUSINESS & COMMERCE PROGRAMS Business Administration: —Accounting —Admin. Management —Finance —Marketing Management —Computer Systems	FACULTY OF BUSINESS ADMIN & COMMERCE[4] Credit granted on a course by course basis on B. Comm. program. FACULTY OF EDUCATION[3] Up to one year credit on B.Ed (Industrial Arts).	FACULTY OF MANAGEMENT See Course Guide section of this Guide.	FACULTY OF ARTS AND SCIENCE AND FACULTY OF EDUCATION Advanced standing available depending upon individual assessment and degree program entered.	DEGREE PROGRAMS Credit granted on a course by course basis on the Bachelor of Administration Degree program.

[1] While N.A.I.T. engineering technology courses are not directly equivalent to university engineering courses, the Faculty of Engineering is prepared to grant up to one year of credit to students of superior ability (Honors diploma). Normally the recommendation of the Division Director of N.A.I.T., and a personal interview with The University of Alberta Dean of Engineering, are also required.

Students intending transfer must show competence in mathematics equivalent to University of Alberta Math 212, 213, before proceeding to the second year Engineering program.

[2] Students who have successfully completed a two-year science diploma at N.A.I.T. will be admitted by the Faculty of Science and granted up to one years' credit toward a related B.Sc. degree program. Prospective students should apply to the Office of The University of Alberta Dean of Science.

[3] Students who have successfully completed a two year diploma program in an appropriate area may receive advance standing toward a B.Ed. in Industrial Arts. Prospective candidates should consult with the Chairman, University of Alberta Department of Industrial and Vocational Education.

[4] There is a quota that limits the number of students admitted to the B.Comm. program each year. Prior academic performance in appropriate subjects (including Math 30 or equivalent) is the primary criterion used to select the applicants to be admitted.

[5] The Faculty of Engineering will grant the appropriate advanced standing to graduates of programs of technology provided that:
i) the applicant is admissible to the Faculty of Engineering.
ii) the applicant has an Honors Diploma.

[6] Applicants may be required to submit a letter of recommendation from the appropriate N.A.I.T. Division Director.

SENDING INSTITUTION	RECEIVING INSTITUTION			
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**

(Note - The following deals with **program** arrangements only. For **course by course** arrangements see page 65.)

Alberta College of Art Diploma Program	Students transferring to the B.F.A. (Art & Design) Program who have completed the 3rd year or more of the A.C.A. diploma may, on presentation of a portfolio & recommendation from A.C.A., be granted up to 2 years advanced credit in appropriate "studio" courses. Students with less than three years are also eligible for advanced credit as determined by the Art Department upon submission of a portfolio. Students transferrring to the B.A. (General) or B.A. (Special) programs from A.C.A. may, on presentation of a portfolio & a recommendation from A.C.A. be granted up to five "studio" courses in advanced credit.	Graduates of the A.C.A. can be granted, upon submission of a portfolio to the Art Department, up to 2 years of advanced credit in Art course. Non-graduates are also eligible for advanced credit as determined by the Art Department upon submission of a portfolio. Applicants who have successfully completed a full first year of Art History with acceptable grades will be awarded advanced credit for Art 201/203 (Art History) (6).	Four year graduates may be awarded up to 20 semester courses. Non-graduates may receive partial credit upon submission of transcripts and a portfolio.	Transfer credit is available depending upon individual assessment and degree program entered.
TECHNOLOGY PROGRAMS		FACULTIES OF GENERAL STUDIES AND OF SCIENCE[4] Credit up to a maximum of five full course equivalents depending on program and grades. Individual courses for which credit will be given must have a grade of at least 'B'. In those cases in which a single University of Calgary credit is		

SENDING INSTITUTION	RECEIVING INSTITUTION			
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY
		appropriate for two or more S.A.I.T. courses, the average grade in the relevant S.A.I.T. courses must be at least 2.5. Normally the cumulative GPA must be at least 2.5 also. In special cases, credit for individual courses will be given although the cumulative GPA is below 2.5.		
Engineering Technologies (see Note 1, paras a & b)	1 year credit for Honors Diploma[1]	FACULTY OF ENGINEERING[5] Amount of credit varies depending on program.	Individual assessment [An institutional letter of recommendation may be required.]	
Aeronautical Engineering Technology Diploma	1 year credit to Engineering program with additional advance credit at discretion of Department.			
Chemical Technology	FACULTY OF SCIENCE Up to 1 full year credit for Chemistry specialization.			
Engineering Science (Earth Sciences-Geophysics Major) Diploma	1 year credit on a B.Sc. Geology Program.			
Medical Laboratory				
Petroleum Technology (see note 1, para c)	2 years credit toward Petroleum Engineering option.			
Petroleum Technology	1½ years credit toward a 4-year Geology degree.			
Technology Diploma	1 year credit proposed on B.Ed. (Industrial Arts) Plan G[2].			

SENDING INSTITUTION	RECEIVING INSTITUTION			
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY

[1] a. A student who has an Honors Diploma in one of the engineering technologies may be granted up to one year of credit by the Faculty of Engineering, The University of Alberta, subject to the following:

i) In a branch of engineering where his technology diploma is considered as appropriate background education, the student must show competence in mathematics equivalent to that of Math 212/213 or else gain credit in Math 212/213 in the 3rd and 4th terms.

ii) In a branch of engineering where his technology diploma is not considered as appropriate background education, the student may have to show competence in, or gain credit in, either first and/or second term courses in addition to mathematics.

b. In exceptional cases a student who has a Diploma, but not an Honors Diploma in one of the engineering technologies of S.A.I.T., may be considered for admission to the third term on the same basis as a student with an Honors Diploma when so recommended by the President of S.A.I.T. Advanced credit in individual subjects may be granted on the basis of the recommendation of The University of Alberta department offering the course.

c. Petroleum Technology Graduates: A student who has qualified for a Diploma in Petroleum Technology may be granted two year credit by The University of Alberta in the Petroleum Engineering option subject to the following conditions:

i) The student completes the equivalent of Math 212/213.

ii) The student obtains a 3.25 G.P.A. in second year.

iii) The student works one year before attending The University of Alberta.

iv) The Petroleum Department recommends the student.

[2] Graduates of most two year diploma programs who receive GPA's of 2.5 may receive credit toward a B.Ed. Degree in Industrial Arts. The prospective candidate should consult with the Chairman, Department of Industrial and Vocational Education.

[3] Applicants for transfer must attain a "B" grade in each subject of the Business Administration program and a cumulative GPA of 2.75. Applicants may also receive credit for Arts and Science subjects by special assessment.

[4] In addition to submitting transcripts from S.A.I.T., applicants may be required to submit a letter from S.A.I.T. recommending that advanced credits be awarded.

[5] Faculty of Engineering, University of Calgary, will grant appropriate credits to graduates of programs of technology provided that:

i) The applicant is admissible to the Faculty of Engineering or is recommended by S.A.I.T.

ii) The applicant's cumulative GPA is a minimum of 2.5.

AVC Lac La Biche 91
Fairview College 92
Lakeland College 93
Lethbridge Community College 94
Medicine Hat College 95
Olds College 96
Red Deer College 97

REGULATIONS OF RECEIVING INSTITUTIONS

The following statements have been provided directly by institutions. Other specific institutional regulations are included in the respective institutional calendars.

Fairview College

Advanced credit may be granted in some courses at Fairview College. All applications for advanced credit must be approved by the Chairman or coordinator and filed with the Registrar before advanced credit can be assigned. Applications for advanced credit must be made before the beginning of the session in which that course is presented. Normally such applications will be based on official transcripts on file with the Registrar.

Grande Prairie Regional College

A. Admission Regulations, General
   1. High School diploma, or
   2. Age of 18 years or older

   Either of the above will secure admission to the College, but not necessarily direct entrance to the desired program. An applicant deficient in pre-requisites for a specific program will be admitted to an appropriate academic development or combined program.

B. Transfer Credit Regulations
   Advance credit may be granted for studies completed at accredited post-secondary institutions so far as the courses completed are suitable to the program in which the candidate is enrolling, and in keeping with the academic regulations of the instructional division/department concerned. Official transcripts must be provide by the applicant. Direct inquiries to the Registrar.

C. Challenge Credit
   In some courses an applicant may obtain credit by successfully challenging an examination set by the department concerned. Application must be made through the Office of the Registrar.

Grant MacEwan Community College

A. Admission Regulations
   Applicants to Grant MacEwan Community College must meet either Regular Admission Requirements-possess an Alberta high school diploma or its equivalent or Mature Admission Requirement - be 18 years of age or over and out of school for at least one year. Certain programs such as Social Services and Nursing have modified age requirements and require successful completion of a selected range of grade XII course. All applicants must complete an appraisal of their writing and reading skills - for some programs, other skills as well - to ensure that they are equipped for College programs.

B. Transfer Credit Regulations
   1. Transfer credit shall be treated as advance credit and shall be governed by the applicable Academic Regulations.
   2. Any student who at the post-secondary level has completed the equivalent of a subject offered by Grant MacEwan Community College may request advance credit in that subject.
   3. Advance credit may be given for experience in a particular field.
   4. Advance credit shall not exceed 50% of the total credits required for graduation from any certificate or diploma program at Grant MacEwan Community College.

Keyano College

1. Advance credit may be granted to applicants who have completed equivalent studies at an accredited post-secondary Canadian institution.
2. For advanced credit consideration, applicants must submit and complete and official transcripts of their total post-secondary training. See College Calendar.
3. The appropriate Department Head within Keyano College will determine the credit to be granted and advise the Registrar. The Registrar will communicate with the applicant.
4. Advance credits are awarded only to the extent that they fit the program in which the applicant is enrolling, and are valid only if the student completes at least half the program at Keyano College.
5. All transfer of credit shall be governed by the applicable Academic Regulations.

Lakeland College

Students who have pursued a course of studies at another post-secondary institution may apply for a transfer of credits to the program they are enrolling in at Lakeland College.
Students wishing to obtain such credit (OR Alberta High School Credit for vocational, technical and special courses) SHOULD CONSULT WITH THE REGISTRAR WHEN REGISTERING FOR THE FIRST SEMINAR OR ANY PROGRAM AT THE COLLEGE.

1. Students with average or better standing in any equivalent subject (post-secondary level) may be awarded advance credits in the appropriate subject(s).
2. Advance credits will be applied directly to Lakeland College credit requirements needed for graduation.
3. Students who have a particular skill or body of knowledge due to previous study or experience may request a comprehensive challenge examination. If successful, credit for equivalent subjects offered by Lakeland College will be granted.

Lethbridge Community College

1. Transfer credit shall be treated as advance credit, and shall be governed by the applicable Academic Regulations.
2. For advance credit considerations, applicants for admission to Lethbridge Community College must submit official transcripts of their total post-secondary achievement.
3. In general, advance credit will be granted for transfer courses which are counterparts of and equivalent to courses at Lethbridge Community College relevant to the program for which the student enrolls.
4. Grades for transfer courses are not posted to the student's record at Lethbridge Community College, therefore do not contribute to the student's academic standing while at Lethbridge Community College.
5. Only courses with an equivalent of "C" grade or better will be considered for transfer credit.
6. Advance credit shall not exceed 50% of the total credits required for graduation from any certificate or diploma program at Lethbridge Community College.
7. Advance credit is valid only if a student enrolls and completes at least one session at Lethbridge Community College.

Medicine Hat College

A. Admission Regulations
Admission to Medicine Hat College depends upon successfully meeting the admission requirements which differ with the various programs. Specific admission requirements are clearly outlined in the College Calendar. Nursing, Early Childhood Development and Travel Consultant programs all require personal interviews before final selection.

B. Challenge for Credit
In a limited number of courses, a student may obtain credit by successfully challenging a demanding examination, set by the department concerned. Application must be made through the Office of the Registrar.

C. Advanced Credit Policy

1. Advanced credit may be granted for courses completed at public universities, colleges and technical institutes in Canada and in the United States. Assessment will be on an individual basis and will depend upon institutional accreditation.
2. Medicine Hat College will accept only those courses for advanced credit with a grade of "C" or better.
3. Under normal circumstances no advanced credit will be granted for course work completed more than 10 years prior to the date on which advanced credit is requested.
4. No more than 10 semester courses or 30 semester hours of advanced credit will be granted towards a Medicine Hat College two year diploma.
5. No more than 5 semester courses or 15 semester hours of advanced credit will be granted towards a Medicine Hat College one year certificate.
6. All advanced credit decisions will be coordinated through Student Services. The Registrar and/or the Registration Officer and the appropriate Department Chairman will discuss and make decisions on advanced credit based upon institutional policy.

Mount Royal College

A. Admission Regulations

Applicants seeking admission to diploma and certificate programs must possess the equivalent of an Alberta High School diploma or have left high school and be 18 years of age or older by the last day of the semester to which they are admitted.

Due to the range and depth of materials covered, students may be required to complete additional admission requirements for admission to specific programs. Details on admission requirements for individual programs may be found in the College calendar.

B. Transfer Credit Regulations

1. Mount Royal College may grant credit for work completed at an accredited post-secondary educational institution. Only courses completed (at post-secondary institutions other than The University of Calgary) with an equivalent of "C" grade or better, in subjects equivalent to current offerings at Mount Royal College will be considered.
2. Mount Royal College will accept for advanced credit, the same grades from The University of Calgary as The University of Calgary will accept from Mount Royal College. Advanced credit for more than one course from The University of Calgary will be granted only if the GPA of all courses to be transferred to Mount Royal College is greater than or equal to 2.0.
3. Specific advanced credit granted will be based on the evaluation of documents provided by the applicant. Documents are official transcripts, course outlines, course descriptions, list of textbooks used, etc.
4. The decision regarding equivalency will be at the discretion of the Registrar acting on the advice of the Department Chairman concerned.
5. The amount of advanced credit given is limited by the College residence requirement which states that the last 50 percent of the work completed toward the award of a Mount Royal College parchment must be completed at the College, except where prior written approval has been given by the Dean of the appropriate faculty.
6. Advanced credit will not be given for course work completed six years prior to the date on which advanced credit is requested.
7. Advanced credit will not normally be given for courses which duplicate in content a course previously completed.
8. Advanced credits are awarded only to the extent that they fit the program in which the student is enrolling.
9. Applicants are routinely asked to report prior post-secondary experience.
10. Challenge Credit: Applicants may gain credit in any introductory level college course by successfully challenging an examination set by the department concerned. Applications for credit by examination must be made through the Office of the Registrar and Director of Admissions.

Olds College

A. Admission Regulations

Admission requirements at Olds College vary by program and are specified in the College Calendar.

B. Advanced Standing Regulations

1. Applicants who have been accepted into an Olds College program may be granted advanced standing for courses successfully completed at another accredited post-secondary institution.
2. Only courses in which the applicant has achieved a minimum grade of "B" or "70%" or "6" on a 9-point system or "3" on a 4-point system will be considered for advanced standing.
3. In general, advanced standing will be granted for courses which are equivalent to offerings at Olds College and are applicable to the applicant's program.
4. The decision regarding equivalence will be at the discretion of the Registrar acting on the advice of the Department Chairman concerned.
5. Applicants are required to submit official transcripts from the sending institution along with an Application for Advanced Standing and may be required to submit course outlines and other appropriate documents for evaluation purposes.
6. Grades for advanced standing courses are not recorded on the applicant's Olds College transcript.
7. The amount of advanced standing is limited; this limit is currently under review.
8. The Registrar will notify applicants in writing of the decision regarding their Application for Advanced Standing.

C. Challenge Examination Regulations

1. Applicants who have been accepted into an Olds College program may be granted credit for acquired knowledge or skills which is relevant to the content of a course offered by Olds College by requesting and successfully passing a challenge examination.
2. Applicants must be registered in the course challenged, apply to challenge prior to a specified deadline for doing so and pay a specified fee which is refundable upon passing the examination.
3. Challenge examinations are not permitted for the purpose of raising a grade.
4. Grades for courses successfully challenged by examination are recorded on the applicant's Olds College transcript.

Red Deer College

Red Deer College awards advanced credit, in consultation with the sending institution, to students transferring from other post-secondary institutions. The advanced credit is awarded on an individual basis, and is dependent upon the courses completed and the program into which the student is transferrring.

N.A.I.T.

A. General

1. Transfer credit shall be treated as advance credit, and shall be governed by the applicable Academic Regulations.
2. All applicants for admission to N.A.I.T., shall be asked to submit transcripts of their total academic experience, including previous post-secondary training, for the purpose of (a) advance credit considerations, (b) more effective counselling, and (c) accumulation of student demographic information to enable N.A.I.T. to respond more appropriately to its varied clientele.
3. The Registrar shall routinely advise transfer credit provisions to all applicants reporting prior post-secondary experience.
4. The specific transfer credit allowed shall be based upon individual consideration by the Department Head / Program Head.
5. The Registrar and the student shall be advised of the specific credit allowed for each student, and the basis for such decision as determined by the Department Head.

S.A.I.T.

1. Advance credit will be granted to applicants who have completed equivalent education at an Alberta post-secondary institution or other Canadian institution.
2. The applicant must request advance credit and submit a complete transcript of marks indicating the subjects taken, the hours for both theory and laboratory, and the grade attained.
3. The subject Department Head will evaluate the transcript and determine the credit to be granted and advise the Registrar. The Registrar will advise the applicant of the credit granted. It is the applicant's responsibility to ensure that the necessary paper work is completed.
4. There is no charge for advance credits granted for subjects taken in Alberta post-secondary institutions but a fee of $5.00 per subject, to a maximum of $25.00, is charged for subjects completed at other than Alberta institutions.
5. A student must be enrolled for one complete academic year to qualify for S.A.I.T. diploma.
6. The awarding of an Honors Diploma is not affected by the amount of credit granted but a student who takes 20% or more of the total hours allotted to a program in credit ratings will not be eligible for scholarships.
7. The credit granted by a subject Department Head applies to a particular program and does not necessarily apply if the applicant changes programs.

PROGRAM GUIDE — NON-UNIVERSITY CREDIT

This subsection lists program transfer arrangements among non-university institutions.

SENDING INSTITUTION	RECEIVING INSTITUTION
AVC LAC LA BICHE	**N.A.I.T.**
Business Administration Program	1. Transfer Credit and Application Procedures a) Students who have successfully completed all courses of the AVC Lac La Biche transfer program, will be granted credit for Year One and will be accepted into Year Two of the N.A.I.T. program. b) All transfer students must complete a regular N.A.I.T. Application Form. This form with an AVC Lac La Biche Year One transcript of marks attached should be forwarded to the N.A.I.T. Registrar following completion of Year One at AVC Lac La Biche. c) Students who do not successfully complete all courses in the AVC Lac La Biche program may be accepted into the N.A.I.T. programs as special students. AVC Lac la Biche should provide a written recommendation regarding such students in conjunction with the application form and transcript of marks. The N.A.I.T. Department Head may require a personal interview prior to final acceptance of these students. 2. Entry into a specific Option in the second year for all students, may be subject to quota limitations as dictated by class capacity. 3. Honors standing AVC Lac La Biche students will be eligible to receive a N.A.I.T. Honours Diploma under the same conditions applicable to all graduate students of N.A.I.T. programs. 4. Bursaries and Awards a) Students completing Year One at AVC Lac La Biche will not be eligible for bursaries and awards presently available to students completing Year One at N.A.I.T. b) The AVC Lac La Biche transfer students will be eligible for all bursaries and awards which may be available to students completing Year Two of the N.A.I.T. program.

SENDING INSTITUTION	RECEIVING INSTITUTION	
FAIRVIEW COLLEGE	**N.A.I.T.[1]**	**S.A.I.T.**
Group One		
Basic English, Intermediate English, Senior English I and II, Preparatory Science, Physics I and II, Advanced Mathematics I and II	Air Conditioning Eng. Technology, Architectural Technology, Building Construction Eng. Technology, Civil Eng. Technology, Earth Resources Technology, Electrical Eng. Technology, Electronics Eng. Technology, Eng. Design and Drafting Technology, Industrial Heavy Equipment Technology, Instrumentation Eng. Technology, Materials Eng. Technology (Chemistry advised), Mechanical Ind. Eng. Technology, Plastics Eng. Technology, Surveying Technology, Telecommunication Eng. Technology	
Group Two		
Courses stated in Group One and Chemistry I, II and III	Chemical Technology, Combined Lab & X-Ray, Hydrocarbon Eng. Technology	
Group Three		
Basic English, Intermediate English, Sr. English I and II, Advanced Mathematics I and II, Chemistry I, II and III, Biology I, II and III	Biological Sciences Technology	
English I and II, Physics I and II, Mathematics I and II		Will accept graduates of these courses as equivalent to S.A.I.T.'s Pre-Careers program in English, Physics and Mathematics. Such graduates would be eligible for entry into any S.A.I.T. program specifying the Pre-Careers program as a prerequisite. Persons wishing to ente Chemical Technology or Chemical Engineering Technology should also have passed Fairview Chemistry I, II and III.
Group Four		
Courses stated in Group Three except Chemistry I, II and III	Forest Technology	

[1] The foregoing are programs for which the academic entrance requirements are considered to be completed. Transfer credit opportunities may exist in some N.A.I.T. programs not listed above. Consult with N.A.I.T. Registrar for further information.

SENDING INSTITUTION	RECEIVING INSTITUTION
LAKELAND COLLEGE	**N.A.I.T.**
High School Equivalency	Lakeland College High School Equivalency graduates are eligible for admission into the N.A.I.T. programs on the same basis as N.A.I.T. Pre-Technology graduates. Consult Registrar, N.A.I.T. for further information.

SENDING INSTITUTION	RECEIVING INSTITUTION
LETHBRIDGE COMMUNITY COLLEGE	**S.A.I.T.**
Drafting Technology	Graduates of the first-year Drafting Technology program at Lethbridge Community College may transfer to the Engineering Drafting Technology program at S.A.I.T. and may be allowed to enroll in the fourth quarter of the program, if space is available.
Electronics Technology	Graduates of the first-year Electronics Technology program at Lethbridge Community College may transfer to the second year of Broadcasting and Industrial Electronics programs at S.A.I.T., if space is available.

SENDING INSTITUTION	RECEIVING INSTITUTION
MEDICINE HAT COLLEGE	**S.A.I.T.**
Computer Science Software Engineering	Students who have completed the first year of the Computer Science Software Engineering program at Medicine Hat College may be admitted to the second year of the Computer Technology program at S.A.I.T.
Engineering Drafting Technology	Students who have completed the first year Engineering Drafting Technology program at Medicine Hat College may transfer to the Engineering Drafting Technology program either at S.A.I.T. or Lethbridge Community College.
Engineering Science Technology	Medicine Hat College offers the first year of S.A.I.T.'s Engineering Science Technology. Students successfully completing this Medicine Hat College program may transfer to S.A.I.T. for their second and final year.

SENDING INSTITUTION	RECEIVING INSTITUTION
OLDS COLLEGE	**N.A.I.T.**
Surveying Technology	1. Transfer Credit and Application Procedures a) Students who have successfully completed all courses of the Olds College transfer program, will have earned credit for Year One and will be accepted into Year Two of the N.A.I.T. program. b) All transfer students must complete a regular N.A.I.T. Application Form. This form with an Olds College Year One transcript of marks attached should be forwarded to the N.A.I.T. Registrar following completion of Year One at Olds College. c) Students who do not successfully complete all courses in the Olds College program may be accepted into the N.A.I.T. programs as special students. Olds College should provide a written recommendation regarding such students in conjunction with the application form and transcription of marks. The N.A.I.T. Program Head may require a personal interview prior to final acceptance. 2. Honors Standing Olds College transfer students will be eligible to receive a N.A.I.T. Honours Diploma under the same conditions applicable to all graduate students of N.A.I.T. program. 3. Bursaries and Awards a) Students completing Year One at Olds College will not be eligible for bursaries and awards presently available to students completing Year One at N.A.I.T. b) The Olds College transfer students will be eligible for all bursaries and awards which may be available to students completing Year Two of the N.A.I.T. program.

SENDING INSTITUTION	RECEIVING INSTITUTION
RED DEER COLLEGE	**N.A.I.T.**
Biological Sciences Technology, Chemical Technology	1. Transfer Credit and Application Procedures a) Students who have successfully completed all courses of the Red Deer College modified transfer program, which includes an additional twenty day instructional period beyond the regular College session (extending into the month of May), will be granted credit for Year One and will be accepted into Year Two of the N.A.I.T. program. A minor deficiency in Chemistry 233 will be timetabled in Year Two, Quarter Four, in the case of Chemical Technology. b) All transfer students must complete a regular N.A.I.T. Application Form. This form with a Red Deer College Year One transcript of marks attached should be forwarded to the N.A.I.T. Registrar following completion of Year One at Red Deer College. c) Students who do not successfully complete all courses in the Red Deer College program may be accepted into the N.A.I.T. programs as special students. Red Deer College should provide a written recommendation regarding such students in conjunction with the application form and transcript of marks. The respective N.A.I.T. Program Head may require a personal interview prior to final acceptance of these students. 2. Entry into a specific Option in the second year for all students, may be subject to quota limitations as dictated by class capacity. 3. Honors Diploma Red Deer College transfer students will be eligible to receive a N.A.I.T. Honours Diploma under the same conditions applicable to all graduate students of N.A.I.T. programs. 4. Bursaries and Awards a) Students completing Year One at Red Deer College will not be eligible for bursaries and awards presently available to students completing Year One at N.A.I.T.

SENDING INSTITUTION	RECEIVING INSTITUTION
RED DEER COLLEGE	N.A.I.T.
	b) The Red Deer College transfer students will be eligible for all bursaries and awards which may be available to students completing Year Two of the N.A.I.T. programs.

IV. PRIVATE SENDING INSTITUTIONS — UNIVERSITY CREDIT

The following institutions, by virtue of affiliation agreements with The University of Alberta, offer many courses in indentical number, name and content with those of the latter institution (and in one case with The University of Calgary). These courses, together with their transfer credit values, are listed below. In a few instances (specifically noted) the name of the corresponding University course may differ slightly, or its transfer credit value may be partial, optional, or generalized.

- EXCEPT WHERE OTHERWISE NOTED BY A FOOTNOTE, ALL COURSE NUMBERS FOR COURSES LISTED UNDER THE PRIVATE COLLEGES ARE THE SAME AS UNIVERSITY OF ALBERTA COURSE EQUIVALENT NUMBERS.

V. COUNCIL PRINCIPLES, POLICIES AND PROCEDURES

I. CONTEXT

1. Role and Composition

The primary goal of the Alberta Council on Admissions and Transfer is the provision of leadership and direction in the improvement and enlargement of education opportunity for Alberta students through inter-institutional transfer. Implicit in this goal is a commitment to improve communication among institutions of the Alberta post-secondary system — and thus to promote the advantages of a "system" of education, with all that this means for economy and efficiency in educational planning.

In the fulfillment of its role, the Council is engaged in the following activities:

(a) **leadership** — including the development and formulation of policies and procedures whereby transfer credit for courses and programs may be negotiated.

(b) **publication** — primarily the production and distribution of a yearly Transfer Guide listing all transfer credit arrangements for courses and programs within the Alberta post-secondary system, together with statements of relevant policies and procedures, and other documents such as an Annual Report and a counselling brochure entitled "What About Transfer?"

(c) **mediation** — as requested by institutions within the system, to resolve complaints or disputes concerning transfer arrangements and credits, and thus to ensure that the best interests of students are served.

(d) **applied research** — on matters related to the transfer of students throughout the system e.g. Transfer Patterns Study.

Council members are appointed by the Minister as follows:

from the universities: four representatives (one nominated from each university),
from the colleges: four representatives (nominated by the Council of College Presidents),
from the technical institutes: two representatives (nominated by N.A.I.T. and S.A.I.T.),
from the vocational centres: one representative (nominated by these institutions),
a chairman and an executive secretary.

The Council meets usually on a monthly basis generally at institutions.

2. Overview of the system

The Council's activities are directed primarily towards the Alberta post-secondary system, which includes four universities, ten public colleges, three institutes of technology, four vocational centres, the Banff Centre, as well as private affiliated colleges (see chart, p. 106). There are, in addition, a number of private non-affiliated colleges — some of which may offer courses which have transfer potential. Although the Council's mandate is directed towards the Alberta post-secondary system, the Council is sensitive to student transferability involving institutions outside of the province. For this reason the Transfer Guide is distributed broadly across Canada as well as in the United States.

   Union College
   College
   Heights
3. Concordia
   College
   Edmonton

(Note: there are a number of private non-affiliated colleges throughout the province, some of which may offer courses which are transferable.)

3. Types of transfer

Within the system of post-secondary institutions, transfer of credit for courses or programs may occur among institutions of different types (i.e. from a vocational centre to a college). In the negotiation of transfer arrangements among institutions, the Council recognizes the following major types:

(a) among universities
(b) between universities and the non-university sector
(c) among non-university institutions
(d) from private colleges to universities
(e) from private colleges to non-university institutions.

4. Definition of terms

In dealing with matters related to transfer, there are several commonly used terms which may require clarification. Some of the more important are:

Accessibility: the degree of openness of institutions to students seeking admission to their programs.
Transferability: the mobility of students among post-secondary institutions by virtue of their having transfer credit (see below).
Advance credit: the award of credit in given courses or programs on the basis of formal and informal learning experiences including: 1) work experience, 2) maturity/life experience, 3) unstructured educational experiences such as self-study, 4) structured educational activity.
Transfer credit: an advance credit awarded on the basis of successful completion of structured educational activities at a post-secondary institution.
Receiving institution: an institution to which students transfer course or program credits acquired at another institution.
Sending institution: an institution from which students may transfer course or program credits to programs at another institution.
Transferable courses: courses developed by an institution to meet its own program objectives but which have transfer potential. Transfer may be negotiated either on the basis of equivalence or of relevance to programs or courses at another institution. (see page 108.)
Transfer courses: courses delivered by a sending institution as courses which correspond in description to courses of a particular receiving institution. (see page 109.)
Selection criteria: categories of qualification, capabilities, or experience (academic or other) which provide the basis for screening and admission (or rejection) of students to programs.
Affiliation: a formal agreement of association or co-operation between two institutions whereby courses and programs offered by the sending institution are substantially the same as those offered by the receiving institution. Transfer credit is therefore awarded. No formal affiliation agreements currently exist except those between three private colleges and The University of Alberta.

II. PRINCIPLES

The Council endorses the following as basic to its purpose and activities:

(a) **Student access to higher education and the opportunity for student mobility among institutions of higher education in Alberta shall be optimized.**
Barriers to student mobility shall be minimized. The integrity of education programs and certification must, however, be maintained. A student should not be required to repeat previous learning experiences in which he has demonstrated competence nor should he be granted more transfer credit than his previous learning experiences would warrant for successful completion of a program.

(b) **Negotiation of opportunities for student mobility shall be based on the recognition that while learning experiences may differ in a variety of ways, their substance may be virtually equivalent in terms of content and rigour.**
Insofar as possible, transfer arrangements should allow for maximum recognition of previous learning experiences. The concept of **virtual equivalence** is vital to such arrangements.

(c) **Effective career counselling and optimum mobility require that the student have prior knowledge of at least the minimum transfer credit which he can be awarded. Additional transfer credit may be negotiable on an individual basis.**

(d) **Although responsibility for higher education is shared among various constituents, individual institutions have the primary responsibility for instructional programs. This responsibility includes program design and delivery, determination of academic prerequisites and student admission criteria, and certification of the academic achievement of students.**
In respect of student access to institutions and programs, it is to be emphasized that factors in addition to academic prerequisites often are employed as admission criteria. That is, while possession of academic prerequisites makes an applicant eligible for admission, it does not **guarantee** admission to an institution or to a particular program.

(e) **Institutions have the responsibility and the prerogative to investigate the total educational preparation of applicants seeking admission.**
Such investigation is intended to determine admissibility and appropriate transfer credit, and to counsel applicants. The relevance and quality of the applicant's most recent educational experiences should be the basis for admissibility and for transfer credit decisions. Differences in earlier preparation should not adversely affect consideration of the applicant (see Principle "b" re **virtual equivalence**).

(f) **Students who are granted admission to an institution under a transfer arrangement shall be granted the same rights and privileges as students who began their studies at the institution.**

III. A POLICY FOR ADMISSION AND TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

1. **Admission**

Admission to a course or program will be granted to any applicant who has fulfilled the admission requirements for such course or program as established by the receiving institution. Where selection procedures are involved in admission to a program, each applicant shall be treated on the same basis as any other person seeking admission to that program.

2. **Transfer of credits**
Subject to the above requirements there shall be two major transfer arrangements. The Council on Admissions and Transfer will publish annually a Provincial Transfer Guide listing credit equivalencies including both types of transfer arrangement.

A. **Transferable courses and programs:**
These are developed by a sending institution to meet its own programs and objectives, and bear its own numbers and descriptions. Transfer may be negotiated either on the basis of equivalence, or of relevance. The principle of **equivalence** refers to courses and programs of the sending institution which are identical or similar to those of the receiving institution. The principle of **relevance** refers to courses of the sending institution which are in the areas or disciplines and at the levels of programs offered by the receiving institution, and are therefore appropriate for credit at the receiving institution.
Credits awarded in this category may involve special inter-institutional arrangements or individual assessment.

B. **Transfer courses and programs:**
These are delivered by a sending institution as courses and programs which correspond in description to those of the receiving institution.

3. **Special provisions for university transfer**

A. **Among universities:** Transfers are assessed on an individual basis by the receiving institution.

B. **From public colleges and technical institutes:** In lieu of the general admission requirement (see I, above), admission will be granted to any applicant who, upon successful completion of at least a full year's study at the sending institution, is recommended in writing by that institution as having satisfied the appropriate matriculation requirements or their equivalent.

C. **From affiliated colleges:** Details of transfer arrangements negotiated under affiliation agreements (currently those in effect between The University of Alberta and Canadian Union College, Concordia College and Camrose Lutheran College) are included in the Provincial Transfer Guide, and where possible are extended to other universities.

IV. PROCEDURES FOR TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

To facilitate the negotiation of transfer arrangements among post-secondary institutions, the Council has established the following set of procedures.

Objective
These procedures are designed to provide a mechanism for the negotiation of transfer and transferable courses and programs, and for their inclusion in the Alberta Provincial Transfer Guide.

Categories
Courses and programs proposed for transfer credit are of two main types, each of which involves a different relationship between the sending and the receiving institution.

1. **Transferable Courses/Courses with Transfer Potential**
In negotiations of transfer credit for transferable courses, the sending institution shall supply the receiving institutions with the following information: (a) course description, title, grading practices, weighting and outline, (b) textbooks and other resource materials, (c) qualifications required for an instructor. Additional information may be required at stated intervals for review purposes, or at the discretion of the receiving institutions.

2. **Transfer Courses/Courses in Transfer Programs**
In negotiations of transfer credit for transfer courses, the sending institution shall supply the receiving institution with the following information: (a) course description, (b) textbooks and other resource materials, (c) qualifications required for an instructor.

Transfer credit is based on initial negotiations, when the course is first offered by the sending nstitution. Subsequent negotiations and concurrence of the receiving institution are required where, in the view of the receiving institution, course revisions by the sending institution are sufficiently substantial to affect the transfer credit which has been negotiated.

Procedures

1. Each institution shall identify one central contact person (e.g. Registrar or Admissions Officer) who will be responsible for both internal and external distribution of formal transfer proposals and responses.

2. Each institution shall, through its central contact person, maintain and provide on request from other institutions (a) a list of other important institutional contacts for the purpose of facilitating appropriate preliminary discussions, and (b) a description of the internal procedures followed in the institution for the development and/or evaluation of proposals for transfer arrangements.

3. It is expected that proposals for credit will be processed as expeditiously as possible. If the transfer proposal is acceptable, the receiving institution will inform the other institutions in the system accordingly. The transfer normally will be honoured within the sub-system of which the receiving institution is a constituent.

4. If the transfer proposal is not acceptable, the receiving institution shall supply in writing, to the sending institution, the reason for this decision.

5. In the event that agreement has not been reached pursuant to (3) and (4), an institution may submit to the Council a written request for mediation. Where, in its opinion, the Council determines that a dispute concerning transfer exists, the Council may mediate to resolve the dispute.

6. In the event that the agreement cannot be reached pursuant to (5), the institutions in dispute may agree to submit the dispute to Council for arbitration. The Council will then establish procedures for the resolution of the dispute, and issue its decision resolving the dispute. The arbitration decision of the Council shall be final and without appeal or review.

7. Transfer arrangements are to be regarded as relatively enduring bilateral agreements — to be altered, amended or deleted only after mutual consultation. Regular discussion of existing transfer arrangements should take place between sending and receiving institutions. Any institution planning program or course changes which could bear on existing transfer arrangements as recorded in the Provincial Transfer Guide shall, insofar as possible, inform those institutions which would be primarily affected — subject, where necessary, to renegotiation. In cases where renegotiation of a transfer agreement is requested by either a sending or a receiving institution, the onus is on the institution requesting the change to provide the other institution with sufficient notice and lead-time to permit renegotiation before the next edition of the Transfer Guide.

8. Renegotiation of transfer arrangements is subject to the same guidelines as for the initial negotiations (i.e., 3-6).

9. When a new agreement has been negotiated, it replaced the old agreement in the next edition of the Transfer Guide. If no new agreement can be negotiated prior to preparation of the next edition of the Transfer Guide, with the agreement of both parties, the old agreement will be either removed from the Guide or clearly identified as under review.

V. INSTITUTIONAL REQUIREMENTS

Within the context of the preceding policy and procedures, each institution has particular requirements and practices for admission of students and awarding of transfer credit. These requirements are listed annually in the Provincial Transfer Guide and in institutional calendars.
